VIDEO GAME DESIGN: MINESCRATCH

★NEW★ Learn how to speak the language of computers! Campers will dive into the exciting world of computer coding through Scratch, developed at MIT. Scratch is a block-based application designed to make it simple for anyone to learn programming. Throughout the camp, coders create projects like an epic space battle game or a "choose your own adventure" story! The possibilities are endless! We'll also occasionally use other applications like MC Edit (Minecraft-related) based on student interest and aptitude.
